

I-CAR: Industry Affiliation for GM

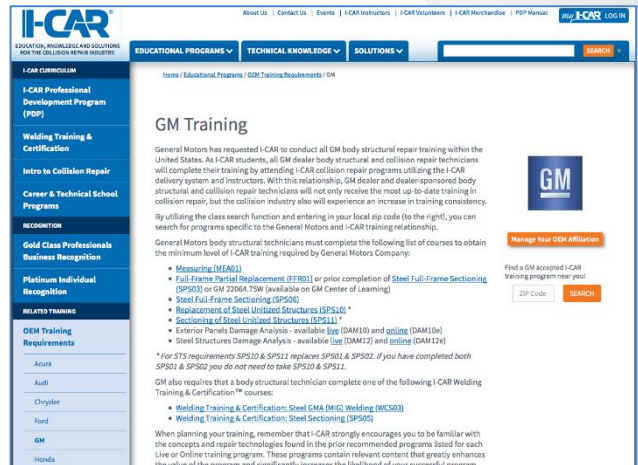

About Industry Affiliation

“Industry Affiliation” is a simple step that enables you to share your training information with GM. It’s accessed on www.i-car.com/GM and is required by General Motors for all dealership employees involved in collision repair.

How to Affiliate Yourself with GM

To affiliate yourself with General Motors and allow your I-CAR training records to be shared:

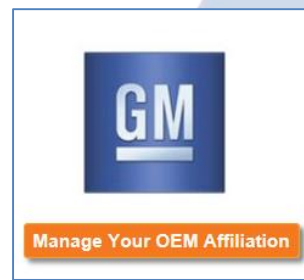

1

1 Go to www.i-car.com/GM.

2 On the right-hand side of the screen, select **Manage Your OEM Affiliation**.

2

3 Fill out the **Manage Your I-Car Training Affiliation with GM** screen then **Submit**.
